# FANNIE PAN
UX DESIGNER

ABOUT ME

PSYCHGOLOGY, TECHNOLOGY, AND DESIGN

I am a UX Designer studying Integrated Digital Media at the NYU Polytechnic School of Engineering. UX Design, in my belief, is an integration between psychology, technology, and design. In order to be able to design something outstanding and timeless, you have to understand its users and its environment. My love for the three helps me strengthen my knowledge and practice of UX Design.

MY SKILLS

USER RESEARCH

USER EXPERIENCE
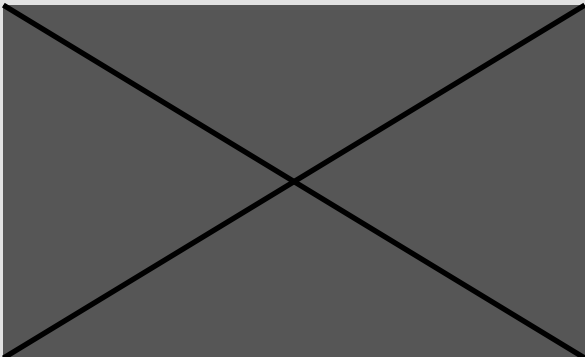

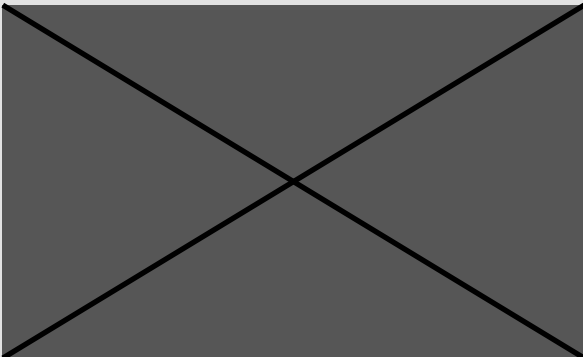

USER FOCUSED DESIGN

PHOTOGRAPHY

GRAPHIC DESIGN

USER INTERACTION DESIGN
